

PROFESSIONAL ACCOUNTING PRACTICE (ACGC)

Kick-start your accounting career and your journey to a CPA designation.

Are there numbers in your future? This professional accounting program is tailored for students who hold a bachelor's degree in any discipline except accounting, yet seek a Chartered Professional Accountant (CPA) designation.

You will gain vital knowledge and skills across all accounting fields, such as financial, management, audit and assurance, finance, and personal and corporate tax. You'll also develop the computer tech and critical thinking skills necessary to excel in the practice of professional accounting.

Program highlights

- Online (HyFlex) delivery lets you study full-time or part-time with the option to attend classes on campus, online, or a combination of both
- Courses are recognized by the Chartered Professional Accounts of Ontario (CPA Ontario) prep courses for admission to the CPA Professional Education Program (<http://www.cpaontario.ca/>) (CPA PEP)
- Experienced faculty with CPA certification

Admission requirements

Applicants must be graduates of an Ontario degree program or equivalent.

OR

Applicants must possess an *Ontario* Diploma/Advanced Diploma or equivalent and eight years of *relevant* working experience. Applicants must submit a detailed summary of their work experience along with their application. The applicants seeking a pathway to CPA Certification after graduating from ACGC will be responsible for getting their work experience validated from CPA Ontario. For more information, the applicant can refer to <https://www.cpaontario.ca/become-a-cpa/student-registration/mature-registration> (<https://www.cpaontario.ca/become-a-cpa/student-registration/mature-registration/>).

Students who have undergraduate degrees from non-Canadian institutions with WES or similar equivalency will be considered.
