

GENERAL ARTS & SCIENCE CERTIFICATE (GAPG)

Ready to choose your own academic adventure?

Gain experience and confidence studying at the college level as you explore potential programs and paths for a rewarding career. Our Educational Planning Team will work with you to create a customized timetable based on your talents and passions, learning goals, and academic and career interests.

You'll receive personalized support to develop a realistic educational plan and access to free tutoring and academic workshops. You'll earn college credits as you explore your academic and career options, which you can transfer into other college programs geared to support your chosen path.
