# ORGANIZATION MANAGEMENT (MOGC)

## Get ready to take the next step on the corporate ladder.

With a high rate of retirement projected for the workforce, now is the time to ramp up your executive talents to step into open opportunities. This executive learning-style program is designed to boost your organizational skills and maximize your leadership potential in preparation for career advancement into management roles.

Carefully selected business courses will build and sharpen your skills in financial decision-making, business ethics and corporate responsibility, organizational behaviour and human resources management, managerial communications, marketing strategies, new venture creation, and more.

## **Program highlights**

- Online (HyFlex) delivery lets you study full-time or part-time with the option to attend classes on campus, online, or a combination of both
- · Complete in as little as 8 months
- · Delivered with series of 7-week courses
- Enhance your skills in critical areas of management to prepare for career advancement
